

ENERGY FRUIT BOOST

What makes this range special?

- ✓ **Fruit-Based Energy Squares:** Soft, fruit-flavored squares designed to provide energy during endurance activities.
- ✓ **Contains Vitamins:** Enriched with vitamins to help reduce fatigue and support energy metabolism.
- ✓ **Ideal Texture for Sports:** Smooth and easy to consume, even during intense activity or endurance sports
- ✓ **No Artificial Colorings:** Clean formula with no artificial colorants, aligning with natural preferences.

Benefits for the consumer :

- ✓ **Quick Energy Supply:** Delivers fast-acting carbohydrates to maintain energy levels during physical exertion.
- ✓ **Portable & Practical:** Compact and easy-to-use format ideal for carrying during sports or long-distance events.
- ✓ **Developed for Endurance Sports:** Tailored to meet the energy needs of athletes involved in running, cycling, triathlons, etc.
